

Group Discussion Guidelines

The Objectives

- Filling at least 3 source analysis forms a week before the discussion
- Expressing opinions supported by academic research
- Responding and contributing to other arguments
- Using reaction language and academic vocabulary

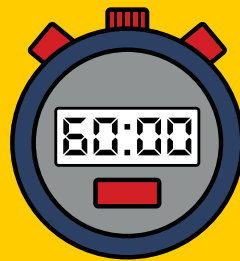

FLOW OF THE DISCUSSION

Reminders

Minimum Timing:

- groups of 3 - ideally 9-12 minutes
- groups of 4 - ideally 12-16 minutes
- groups of 5 - ideally 15-20 minutes

- Needs to be a discussion, not an individual presentation
- You need to listen actively; not just focus on what you will say next

- No reading- substantial reading from any type of prompt or pre-prepared script will result in a **score between 0 - 10**.

- No Source Analysis Form submitted to MS Teams before the deadline - **will lose 50% of the marks awarded**.
